Dear Raise the Bar, Protect Our Constitution,

The Downtown Denver Partnership commends your campaign committee's efforts over the past several months to develop a proposal to improve the process for amending our state's constitution.

We also commend your work towards creating a bi-partisan plan that preserves the right of Coloradans to amend the constitution, preserves the current process for seeking amendments to state law, while requiring more citizen involvement and a higher standard of support for future amendments to the constitution.

At its April 20th board meeting, Downtown Denver Partnership Inc. voted to support your proposed ballot initiative and to allow the use of our name in your campaign materials going forward.

We hope your efforts are successful as your campaign continues its outreach efforts and begins gathering signatures throughout the state later this summer.

Sincerely,

Tami Door
