Project Timeline (Indicate approximate start and completion date)

Project Narrative (Use tree pit numbers from following page to describe in words what your project will achieve regarding tree bed type, size, and plantings)

Will each tree bed have irrigation?* Yes No

** If no, hand watering will be required.*

Watering Plan (Describe how the trees will be watered. Consider frequency, amount of water, type of irrigation system, etc.)

Urban Forest Initiative – Build the Canopy Grant Phase II Application

In the table below please list the tree pits that the project will affect. Please utilize [Office of the City Forester's Tree Keeper](#) to identify the tree pit site ID number. If the tree pit is a new installation, write "new" in the Site ID box.

	Site ID	Is there an existing tree? Y/N	Current Tree Pit Size (SF)	Future Tree Pit Size (SF)	Funding Tier (see funding matrix)	Is the tree sharing soil with another tree? If so, indicate the tree number	Will structural cells be installed? Y/N	Will a protective fence be installed? Y/N	Will a raised curb be installed? Y/N	Will perennials be planted in the tree bed? Y/N	Is this planter a stormwater planter? Y/N
